Date: 28/09/2022

In connection with the **West Bengal Student Credit Card Scheme**, a pet project of our **Honourable Chief Minister Smt. Mamata Banerjee** for the benefit of the students' community in our state, it has been decided that a seminar will be organized by our college to generate awareness among our students about this beneficial project.

The aim of this seminar is to explain the students with the **Know-How of the registration process and the loan application under this scheme** and also to provide them with answers of **FAQs (Frequently Asked Questions)** which they may find useful.

The schedule of the seminar is on **Thursday, 29/09/2022 from 11:00 AM onwards**.

Since an offline programme in the college premise is not convenient on this date due to ongoing Puja Vacation, the mode of this programme will be **online** through **YouTube Live**.

All students of our college are invited to attend this seminar. **The invitation link of this programme is : <https://www.youtube.com/watch?v=csOWTDvbUbY>**

Students will need to enter their **name, their department and the college roll no** in the **chat box in YouTube Live** after entering in the seminar. Students also are required to fill up the following **Google form** to register their **attendance** in the seminar whose link is given below:
